

Child Life Practicum Application

The Endless Journey Child Life Practicum experience is organized to give students a well-rounded introduction to child life services in a community hospice setting. Through observational and experiential learning opportunities, students will increase their knowledge of evidence-based, developmentally appropriate support for children and their families in the hospice setting. Please email this completed application, unofficial transcript(s), child life course verification form, and your current resume to

Short Answer	Please answer the following questions in 100 words or less
There are lots of	
professions where	
one can work with	
kids, why child life?	
What do you hope	
to gain from this	
practicum	
experience?	
What are two of	
your strengths,	
personally or	
professionally, and	
what is an area of	
growth for you?
